

CALVARY SCHOOLS OF HOLLAND

Our Commitment

SCHOOL IS LIFE

We will be a community with a team of staff, faculty and coaches committed to helping each student discover God's plan for their life and preparing them to reflect Christ in this world.

LIFE IS SCHOOL

We will strive to plant into the hearts and minds of each student that God's creation provides a lifetime of opportunities for learning and growing.

SCHOOL IS MINISTRY

We will provide a place where each student is ministered to and disciplined so they can develop into their full potential in an environment that is safe and friendly.

LIFE IS MINISTRY

We will teach and equip each student to show their love of God to others and to learn to confidently use their gifts to impact this world throughout their entire life, and with their entire life.
