

CALVARY SCHOOLS 2022-2023 TUITION SUMMARY

MULTI-CHILD DISCOUNT and FAMILY-FRIENDLY TUITION

At Calvary Schools, our commitment to families is two-fold in regards to tuition:

1. We commit to being wise stewards of our finances by monitoring our expenses closely. By collaborating closely with our Board's Finance Committee, we examine our expenses each month to ensure we maintain a healthy balance of "controlling costs" and "wise spending".
2. We commit to ensuring our tuition schedule provides families with options that fit their needs by utilizing the following efforts:
 - A. **Multi-Child Discount** – This programs provides families with multiple children a decreasing cost per-child that attends Calvary Schools.
 - B. **Family-Friendly Tuition** – This program recognizes the graduating costs that occur as students grow into their advanced grades.

Additionally, we provide several scholarship options to students as we seek ways to fit the cost of their tuition into a family budget.
